Which is easier the SAT or the ACT?

Day, Date Month Year

I was just looking up scholarship information on various college websites and it says the requirements for the scholarship is either a 28 on the ACT or a 1250 on the SAT. To me this doesn't make any sense. I know the highest score on the SAT is 2400 and 1250 is almost half so it seems that it would be easier to take the SAT.
