2013 FELLOWS
Hey Lower Northeast

Would you use a rail line along the Boulevard to get to Center City?

Text Yes or No to 415-766-9451

How does this work?
Text your answer to have your response recorded. You'll get a series of 3 follow-up questions.
Your privacy is important to us.
We won't use your phone number again.

Why does this matter?
We are soliciting input for the Center District Plan, which will guide Philadelphia's physical development by making recommendations for zoning changes, city-owned land and tax liens, and public investment.

For more info, go to phils2035.org
Collect and organize information about your neighborhood with mobile and paper-based surveys.

Use smartphones (Android or iPhone) or tablets to collect data in the field. A simple interface makes it easy to submit accurate information quickly.

The app runs in your mobile browser and provides an aerial reference map to track your progress.

Use Your Phone

Write & Scan

Don’t have a smartphone or feel more comfortable with pen and paper?

Everyone will be able to participate by answering the same custom survey questions in the field with pen and paper. To process your data, you’ll be able to simply scan and upload documents to the website and view your data immediately.
